## 2025 Explore Program: Optional Medical/Accommodation Information Form Summer 2 Session (Ages 13-15)

Participants are kindly requested to disclose any medical conditions, as well as prescribed medications (including dosage) they are currently taking. This information will be kept confidential and will not negatively impact your application. This will allow us to provide optimal assistance in the event of an emergency.

Additionally, participants are encouraged to identify any support or accommodations they may require throughout the program. Again, this information will be kept confidential and will not negatively impact your application. Our aim in soliciting this information is simply to ensure that participants are equipped with the support and resources needed to succeed during their time at Glendon Explore.

Due to its sensitive nature, your medical or accommodation information should be submitted to us via mail using this Optional Medical/Accommodation Information Form.

#### Please mail this completed form and required attachments to the following address:
